おまけだよ!

とうとう これが最後の「おまけだよ!」です

RMC | 思から3年8か月 実に仕事が進んだ時もある、すごくうれしかった時もあり、いろんなことを考える、愛しい、たづ あやこんだりしながらいくつもの季節をすごしてきました。「ここはもえこうした方がよかった。」と思うところはありますが、こうして最後までお話を作りあげることができて今はホッと息を吐けます。娘ちゃんのスローターは、これを完結してしまえば、もう、と、さびたお話を「作らず」心をこめて書いていけたらいいなと思っています。これからも どうぞ応援して下さいね。

— FOUR MONTHS LATER —

IN THE MAGIC KINGDOM

0 month X day

I have finally found the person I will <sup>love</sup> give the Magic Ribbon to.

Her name is Nonohara Himeko-chan. <sup>IT'S YOURS!</sup> She lives in Kazetachi Town of Kazetachi Prefecture, and is in her first-year of middle school.

Though she has agreed to wear the ribbon for one year, Hime-chan is a tomboy who leaves things till the last minute. Will this be all right?

THEY ONLY LIKE

Hime-chan used the ribbon to turn into her older sister, Aiko.

while in this form she learned that the senpai she admired really liked her sister.

she is learning things that she didn't want to, because of the ribbon...

I feel sorry for her.

Cheer up, Hime-chan!

X Month O day

In order to save Jintaro-kun from a kidnapper, Hime-chan transformed right in front of Daichi-kun. However, Daichi-kun said he would protect the secret. He really is such a nice person.

I was very surprised when Sai Array took the name of Arisaka Sei, and went to the Human World. On top of that, he even tried to steal the important ribbon. But it seems that because of the events this time, Hime-chan has gotten a little closer to Daichi-kun.

Hime-chan got the ribbon caught on a tree branch and broke it. There was a big rumour as a rumor about Hime-chan and a boy called Kobayashi. Daichi started spreading, resulting in a girl by the name of Hibino-san becoming involved. It would be nice if she doesn't use the ribbon until it's completely healed, but... I am a little worried.

I WANT TO SPEAK WITH YOU

FIRST OF ALL

WOW! MY WORRY

WITH ME FOR A SECOND

Δ Month O day

Hime-chan transformed into Daichi-kun and got stuck in that form. By the time she was able to return to her original state, even I had shed a tear. Having our own body is something we take for granted, but it's really a thing to be happy about, isn't it?

NEVER THOUGHT

FOR THIS

OUR OWN BODY

Hime-chan transformed into the leader of the Oni Gaware Group so that she could help Hiji Yuka-chan. Yuka-chan was really lonely, though. I'm sure that Hime-chan will become a good friend to Yuka-chan.

What a surprise when Pink, who had been missing, was found at Gori-sensei's house. Then when sensei's house caught fire, Hime-chan immediately ran into the house. I was worried about how it would turn out, but I was relieved that everyone was all right. Daichi-kun was very open and frank about his feelings, which is a good thing. Hime-chan...

Once again, Hime-chan caused a big fuss when she stepped into help save the Drama Club that was about to be disbanded. Always trying her hardest is one of Hime-chan's good points, but I wish she could be more careful with her use of the ribbon.

I CAN  
CHANGE  
INTO  
FAMOUS

AND  
THAT  
WOULD  
BE

While they were at Outdoor School, Hibino-san saw Pokota move. Though this issue was safely resolved this time, I can't help but have a bad feeling. Please don't let this turn into a big disaster.

SCARY

Hime-chan is cheerful but  
always leaves things to the last  
minute and messes up.

But,  
she makes those  
around her happier...

...warmer,  
brighter, and  
more cheerful.

This might be some  
form of magic...

Hime-chan's most  
wonderful magic...
